

## PRESS RELEASE

# THE CONSULATE GENERAL OF ITALY IN LONDON AND THE ITALIAN CHAMBER OF COMMERCE AND INDUSTRY FOR THE UK “GO GREEN” BY CHOOSING GREEN NETWORK ENERGY AS SUPPLIER OF ELECTRICITY AND GAS

**London, 6th December 2019** – The Consulate General of Italy and the Italian Chamber of Commerce and Industry for the UK “go green”. By choosing the Italian company Green Network Energy Ltd as the supplier of electricity and gas for its offices in London.

The service supply to both institutions began on 16<sup>th</sup> August 2019. The supplied electricity is 100% "green", generated through zero-impact renewable resources.

The initiative is part of “**Farnesina Verde**”, a plan set up by the Ministry of Foreign Affairs and International Cooperation. It’s aimed at reducing the environmental impact caused by the Foreign Ministry and the Italian diplomatic and consular representatives across the world.

The collaboration between Green Network Energy Ltd, the Consulate General of Italy and the Italian Chamber of Commerce and Industry focuses on preserving the balances of our planet. As well as switching to sustainability to ease the climate change risk caused by human activities.

The Green Network’s motto “*Our Customers are Our Family*” epitomises the spirit of the firm towards the Italian community based in the UK. Green Network dedicates a special discount for all customers that choose the 100% green tariff. For more information, send an email to [info@greennetworkenergy.co.uk](mailto:info@greennetworkenergy.co.uk).

Green Network, one of the main providers of electricity and gas in Italy, has been active in the UK since 2016 and is the sole Italian operator present in the UK energy market. As of today, the company counts more than 700,000 accounts in the UK. Including local companies and citizens (British and Italian), located in England, Scotland and Wales.

*“Nowadays climate change is crucial, and we are fully aware that sustainability is becoming more and more urgent as a choice. For this reason, we are extremely proud to be active players of the ‘Farnesina Verde’ project. Moreover, the Consulate General of Italy is among other prestigious institutions in the United Kingdom which have chosen us, following the Italian Embassy in London”* stated **Sabrina Corbo**, Founder and Executive Vice President of the Green Network Group.

*“Our Group is a reality in the United Kingdom, a country in which we are operating successfully and where we are growing significantly. As a result of the reliability of our work, the quality of our service and our attention to customer needs”,* concluded **Sabrina Corbo**.

**Green Network Energy Ltd** is an independent energy supplier, founded in 2016 to bring an Italian touch to the UK market. Currently it serves about 700,000 residential accounts and about 3,000 business accounts and offers tariffs to suit different requirements (including a 100% renewable electricity tariff). It plans to grow further and challenge larger UK providers.

GREEN NETWORK S.p.A

Viale della Civiltà Romana, 7 - 00144 - Roma

Parent company, **Green Network**, is a major Italian energy supplier (fourth largest for volume of electricity), launched in 2003 following deregulation of the market. It generates a **€2bn+ turnover**, invests in renewable energy generation across Italy and in Romania and plans further expansion in other European markets.
